

**Burnaby Settlement Workers in Schools (SWIS) invite  
Parents & Students to an educational and guided field trip to:**

Come and experience a special place and discover the treasures of the Seymour Watershed. Here you will find local wildlife, ancient towering trees, and water moving through natural landscapes to our drinking water supply system. Hop on our bus, see the dam, and learn about how water gets from the reservoir to your tap. Explore what makes watershed ecosystems important through fun, kid-friendly activities. Once you've experienced the magic, you'll be reminded of your watershed every time you turn on the tap!

**For this tour, Metro Vancouver, Water Services has kindly provided  
Interpreters and school bus, FREE of charge.**
